

jozihub

Inspire

The following outlines the Jozihub venue details and costs.

We look forward to hosting you at our inspiring hub here at 44 Stanley, Joburg.

What is Jozihub

Jozihub is an active entrepreneurial community and hub situated in the 44 Stanley design precinct. Our mission is to ignite innovation and support a diverse entrepreneurial ecosystem in Johannesburg and South Africa.

At the centre of this broader community is our shared workspace, events venue and coffee bar offering the community with a space in which to work day-to-day, and a separate events space in which we host a rigorous calendar of over 300 workshops and meetups a year.

We prioritise **women** - providing a safe, supportive environment, a community to connect with, skills workshops and more.

We continue to be committed to connecting a **diverse & inclusive broader community of entrepreneurs**, small businesses, creative freelancers and non-profit organisations.

Jozihub is more than a physical space, it's a supportive environment where entrepreneurs and organisations can connect, create, innovate, meetup, collaborate and learn.

By booking your event at Jozihub, you are supporting our community and helping us to continue the work that we do.

This document outlines all of our corporate and NGO **Eventspace** and our **Shared Workspace** details and booking rates.

We look forward to working with you.
